THE DIFFERENCE

Harding atta had to the full for Kus 10 can relief twenty millions of dol- start Defense was required lary are immediately available for a whepmost worths cause in the drought stricken and to one infested nation; Christian matrice impelled the gent months of hundreds of thousands of one statesmanship stancing people. The United States through its immensurable bounty is TAXES DESTROY enabled to add another chapter to the already long But of deeds of generosity that have given the hation its place among the world's peoples, wherely its motives and Europe give due credit to the susare being fed, the number being in- people think creased each day. Little mouths that have not tasted of wholesome food for months and sometimes years are being fed through the generosity of our great ldg match; clothing contributed through many agencies is being distributed to soften the rigors of the northern winds; a wonderful work of good is being accompished.

Let us now contemplate the other side, or rather the attitude expressed by some of the leaders of this country towards the United States. In (By Associated Press) the midst of preparation on our part MANHA, P. I., Dec. 24.—Stating to offer our aid to its starving, one that it is the belief of the governof the most powerful political organ-ment at Washington that the law izations of the new Russian soviet governing the lease of exploration of government has also been busy raising oil lands in the Philippines is less funds, but for a different object; liberal to foreigners than it is in Through the confession of the re- America, Governor General Wood in cently-arrested emissary of the third recommending the amendment of the internationale, in connection with the law says he is acting on the suggesbombing outrages in New York last tion of the department of state at year, it has been discovered that Washington. The governor genethe work of destruction that was rai's message says; planned, was financed by funds. The department of state finds in raised in Russia for that purpose its efforts to insist on the proper While the people of the United treatment of our nationals by for-States through its most powerful eign countries in this matter (lease law making body were contributing of petroleum lands and other lands millions to the relief of the famine- containing mineral oils) that it is stricken inhabitants of a sister na- confronted with the statement that ton, that nation was at work also the law in the Philippines is less contributing, not to the relief of its liberal to foreigners than is the law own people but for the destruction a the United States and the deof the people of the country bent partment believes it should be made on helpng its own unfortunate popu- to conform exactly with the United lation. The sooner that lessons such States law." as this are brought home to mediseval-thinking Europe, and the For Rent and For Bale cards at true unselfishness of the spirit of Bonansa.

Taxation is grawing unrelentingly have been hard hit by taxation to actions are considered thoroughly several years and if it is not low unselfish. There is hardly a nation cred, and capital given a counce for in Europe whose people have not at profit, more mines will close until sometime in the past seven years such time as relief can be had. The been the recipient of some bounty federal taxes are heavy enough but from the "land of the free; several in addition to them the total of state of the rejuvanated states of newer paxes in such states as Nevada is out of proportion to population and taining help that his seen afforded business. State and governmen country alike are grateful of help that maustry a knock-out blow when it has been afforded to them in a try is already flat on ts back. As labor ing hour, realizing that the succor forms more than 80 per cent of the has been received from the great and cost of making copper, it will either never-failing coffers of America have to be greatly reduced in price Some months ago a constructive plan to meet the mx burden or mines of relief was undertaken by this close. Thus is the hypocrisy of the country through its relief organiza- politicism's argument that "Taxes artions for the help of the starving road by corporations and not be the hordes of war-torn Russia, the chil- people," brought home with stinging dren, principally, have been the ob- force to the working man. When sees of this charity and according you tax a corporation to death there to present figures 800,000 of them is no job for the workman. Let the
